**Resilience**

5<sup>th</sup> March 2021

Dear Parents and carers of Year 11

We are pleased that, following the Prime Minister's announcement last week, we will be welcoming all pupils back to school from **Monday 8<sup>th</sup> March**. In line with government guidance, pupils have a unique opportunity this year to **prove their ability**. GCSE and BTEC grades will be awarded based on teacher assessment. This will be firmly based on evidence and may include; mock exams, classwork, assessments, essays, exam questions and coursework. Each subject will explain to your son/daughter what evidence will contribute towards their grade so they understand what they need to achieve over the coming weeks.

Depending on the quantity and quality of evidence already in place, your son/daughter may have a bespoke timetable to support them. Your son/daughter's timetable is attached. It is **vital** that your son/daughter attends school, continues to work hard in all lessons so that the evidence collected reflects their ability. **The deadline for submission of all evidence is Friday 28<sup>th</sup> May**, this gives pupils 10 weeks in school.

If you have any questions about this please contact Mrs Keeble on 01634 338803 or 07734975334.

We will be continuing to support all year 11 with their post 16 options, supporting them to continue with education or seek apprenticeship/employment opportunities. This is an important time for them in terms of maturing and taking increasing responsibility for their choices and their futures. If you would like to discuss careers or post 16 options please contact Mrs Martin on 01634 338803 or 07734975338.

Thank you for your continuing support, it is through working together that we can provide your son/daughter with the best support for them now and as they begin to consider their futures.

Kind regards

Mrs F May  
Headteacher
