Kindness

Commitment

Resilience

To all Parents/Carers of all Rowans' pupils

15th July 2020

Dear Parent/Carer

As we prepare for full school return in September, I wanted to reassure you that I recognise you have all had different experiences of lockdown and the pandemic. I understand that you may have some worries or concerns, so I felt it important that I write to explain some of the key changes, enabling you to explain them to your child and support their return to school.

Firstly, it is **compulsory that all pupils return to school on a full-time basis from Thursday 3rd September**. The usual attendance processes will begin immediately with action taken for any pupils who do not attend or who are late to school.

School will be following government guidance in terms of social distancing and hygiene routines in the following ways:

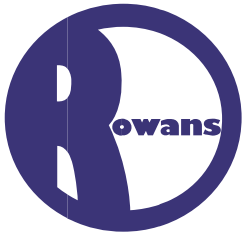

In and around school

- All pupils will be expected to wash their hands on arrival to school and at regular points throughout the day.
- Hand sanitiser and anti-bacterial wipes will be available for use in every classroom.
- Corridors in both buildings will be separated centrally with one-way arrows pointing to direction of travel.
- All pupils will be forward facing in classrooms and where this is not possible in food, IT and DT, there will be temporary screens provided.
 - Each classroom will have a taped zone indicating social space for the teacher and or the teaching assistant. Pupils will not be permitted in this space. Should a pupil deliberately enter this zone, they will lose both respect points on their day sheet.
 - Break and lunch times will be staggered to reduce pressure on social spaces and to keep KS3 and KS4 apart.
 - Breakfast club and break time snacks will be served from the servery in the hall, organised and served by Mrs Skinner and Mrs Jones.
 - KS3 will go to break and lunch 10 minutes earlier than KS4, to avoid congestion around key parts of the school.
 - KS3 will have designated areas for break and lunch, these are KK and SB classrooms in the Elms and the front field.

Kindness

Commitment

Resilience

- KS4 will have designated areas for break and lunch, these are The Rowans building, the playground and the sensory garden. KS4 will be told that being in the sensory garden is a privilege that will be removed if the garden is not treated with respect, this includes the importance of not leaving any rubbish in the garden.
- The hall will be taped with designated areas for KS3 and KS4 to sit for lunch.
- There will be increased cleaning of the school throughout the day.

Travel and transport

- For any off-site lessons or activities where pupils travel in school vehicles, such as PE lessons, pupils and staff will be expected to wear face masks, mirroring public transport expectations.
- Parents will be asked when dropping off and collecting pupils, that they remain in their vehicles.
- The minibus will still operate at the end of each day for pupils, who have made the daily points on their day sheets to be dropped at various locations around Medway. All pupils and staff travelling in the minibus will be expected to wear a face mask and this can be provided by The Rowans AP Academy. If pupils fail to wear a face mask or take off their face mask whilst travelling, they will not be permitted to travel in the minibus on the following day.

To remind pupils of the importance of these measures, staff will use this phrase;
“Clean hands, safe space.”

I am excited to welcome back pupils in September, where we can, once again, support academic and personal progress, helping each child to reach their potential.

We say ‘goodbye’ to Mr Miller, who has secured a job using his carpentry skills within the building trade, we wish him all the best. We welcome back Miss Harris, from maternity leave, who will be teaching humanities and travel and tourism BTEC. We also welcome Miss Cornwell, who will be taking up an apprenticeship position as a teaching assistant.

Thank you for your continued support. You have been amazing through this difficult period of lockdown, I have been humbled by the strength of our families and the ways in which you have encouraged and supported your children to continue with remote learning and engage with the enrichment activities. I have really enjoyed the social media posts showing the outcomes.

All that remains is for me to wish you a relaxing summer break.

Kind regards

Mrs F May
Headteacher
